Senior School Tour

Like every year a senior school tour was organised for the students of grade VIII. It helped students see and understand life at senior school. They visited the senior school and got to know how things function in senior school. Students came with their parents and got many queries resolved.

Dedicated Teacher

Ms Shanzay Jawad was nominated as part of the Lucky 50 selected teachers for the Cambridge Dedicated Teacher Award 2019. She made the entire Beaconhouse family very proud. We wish her good luck for many such awards in future. She has also been awarded a certificate for this recognition. Cambridge University will also publish her photograph with the name of the school in the yearbook as an acknowledgement of her dedication towards the profession.
